# TREASURER'S REPORT.

---

---

STATE OF MONTANA,  
STATE TREASURER'S OFFICE,  
HELENA, December 31, 1890.

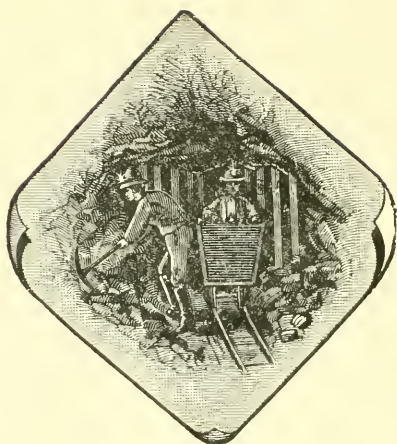

TO HIS EXCELLENCY JOSEPH K. TOOLE, GOVERNOR:

SIR:—I herewith submit a report of the financial transactions of this department from January the 1st, 1890 to December 31st, 1890, inclusive. Showing receipts and disbursements to and from the several funds. All of which are in a healthy condition with a surplus in the treasury, except the Stock Inspector and Detective fund which has over seven thousand dollars on the register, but these will be paid during the month of March, 1891.

I renew the suggestion made in the last annual report, "that the law be so amended that taxes will become delinquent on December 1st, instead of December 31st" which would enable the several County Treasurers to make returns and pay over the State portion of the tax for the current year in time to be reported.

I have the honor to be your obedient servant,

R. O. HICKMAN,  
State Treasurer.
